ABSTRACT

This statistical report presents a comprehensive picture of the Wichita (KS) Public Schools in 1979-80. It includes both those who receive and those who ensure services of the school system. The following types of statistical data are provided: (1) general information, (organizational chart, calendar, district population); (2) pupil information (enrollment, class size, graduates); (3) pupil services (guidance and pupil evaluation, special education, pupil welfare, social services, health services); (4) personnel (teacher profile, employment data); (5) business services (budget, per-pupil cost, state and federal aid); (6) curriculum services (exploratory programs, instructional materials center); and (7) school plant planning and operation services (transportation, number of schools, portable classrooms, school plant value). Recent system data are compared to the 1979-80 figures. (Author/BW)

statistical report

School Year
1979-1980

The Statistical Report presents a comprehensive picture of the Wichita Public School System in 1979-1980. It includes both those who receive and those who ensure services of the School System.

For an accurate perspective of the 1979-1980 data, recent System data are compared. Thus we provide continued communication for those vitally interested in the School System.

AMERICAN COLLEGE TESTING PROGRAM INFORMATION[1]
1979-1980

In the 1979-1980 school year, 1,340 Wichita high school students participated in the American College Testing (ACT) Program. Survey information on the ACT examination participants shows that:

47 percent of the students felt their high school education was good, while 16 percent felt it was excellent;

67 percent were satisfied with the number and variety of course offerings;

56 percent were satisfied with guidance services.

On the other hand:

31 percent expressed dissatisfaction with school rules, regulations and policies.

11 percent indicated dissatisfaction with library facilities; (fifty-seven percent were satisfied)

22 percent expressed dissatisfaction with grading practices (in comparison with 46 percent who expressed satisfaction);

15 percent expressed dissatisfaction with, and 28 percent, satisfaction with, provisions for special instructional assistance.

The typical Wichita ACT examinee had a composite score of 18.6; the national average as shown below was 18.5. (Note that composite standard scores range from 0 to 36.)

[1] Division of Pupil Services, *Annual Report to the Superintendent of Schools on the Accomplishments of the Pupil Services Division* (August 1, 1979 to July 31, 1980). The figures on this page reveal the *frequency* of disciplinary actions taken by USD No. 259 personnel, by category, and *not* the actual number of pupils involved.

[2] Of the 68 pupils expelled, 25 stayed out of school for the remainder of the school year. ("Remainder" may have been as short a period as a few days to as long as several months.)

[3] Reports made only for students less than sixteen years of age; first and second semester reports include many students reported both semesters.
Students with absences reported as unexcused for 30 or more hours or 18 consecutive hours in a semester were reported truant, as required by state law, to the Sedgwick County Juvenile Court.

EXPLORATORY PROGRAMS FOR 1979-1980

DEPARTMENT	
Art	**All Levels:** •Artist in the Schools. Ceramic Sculptor, Michael Schlyer
Energy	**Elementary and Junior High Levels:** •The Energy Adventure Center provides material and training in energy education for classroom teachers in grades four through nine. Currently the Energy Adventure Center reaches 2,200 students in 43 public and private schools.
Mathematics	**Elementary Level:** •The Mathematics Department initiated the utilization of educational computers at Dodge and Cloud Elementary Schools. The computers were used to provide motivational drill of the computational skills for fourth, fifth, and sixth grade students who have scored below the ninth percentile on the ITBS.
Music	**Elementary Level:** •Musical Artist Concerts in Elementary Schools — Forty-five concerts were presented in forty-two schools (three were back-to-back) by twenty-two artists approved by the Kansas Arts Commission. These musical educational concerts were heard by 9,766 elementary pupils.
Reading	**All Levels:** •Follow Through Program — Chisholm, Michener, Kensler, and Arkansas Avenue schools — Key text Program in Reading for students reading below grade level, grades 1-3 •Title I First Grade Pilot — Five Title I schools (Dodge, Mueller, McCormick, Sim, and Payne) were involved in screening and instruction for eligible students. Additional personnel using diagnostic/prescriptive materials assisted with screening and instruction within the classroom. •Cross-grade grouping — Thirty-six elementary schools have implemented cross-grading grouping for basal reading instruction. •Grouping plans vary but in general grades three through six are involved. •State Competency Tests. All students were administered the pilot state competency tests in grades two, four, six, eight, and eleven in April, 1980. Special Education students were exempt from taking the test. •Junior High Pilot Testing Program. This pilot plan was implemented in 10 schools (Allison, Brooks, Curtis, Hadley, Jardine, Marshall, Horace Mann, Mead, Roosevelt, and Truesdell). The concept of *Test, Teach, Test* was implemented using the new McGraw Hill CAT Functional Level Teaching test as a basis for improving reading achievement of students.
